

## Entry Level Landscape Architect

### Position Description

Planning Design Studio (PDS) is seeking a full-time Entry Level Landscape Architect/Urban Designer to join our team in St. Louis, Missouri. At PDS you will have the opportunity to work on a wide range of project types from master planning to construction document production. We specialize in greenway development; parks and recreation and sustainable streetscape projects in the St. Louis metropolitan area helping to make the region a better place to live, work and play.

### Specific Responsibilities

- Assist with the preparation of design concepts, site plans, specifications, and cost estimates for land development.
- Compile and analyze data on site conditions such as location, drainage and structures for environmental reports and planting plans.
- Prepare graphic representations of proposed plans using hand drawing techniques and computer aided design software.
- Select appropriate materials for use in landscape design.
- Collaborate with PDS staff, clients and allied professions related to the project scope.

### Skills, Knowledge Qualifications and Experience

- Candidates should have strong analytical, planning, design, and technical skills.
- Experience with and proficiency in AutoCAD, Civil 3D, MS Word, Excel, Adobe Creative Suite (Photoshop, Illustrator, and InDesign), and SketchUp is preferred.
- Outstanding written and verbal communication skills are necessary.
- Initiative-taker that enjoys a fast-paced work environment that can contribute to achieving successful project completion.

### Required Experience

- Recent graduate or up to three years of experience with a degree from an accredited landscape architecture program.

### Office Location

- Downtown Maplewood, a historic suburb of St. Louis which is home to the Nation's First Green Dining District, and independent shops that create an exciting and livable community.

### Position Type

- Full-Time/Regular
- Competitive compensation, health benefits, 401K, relaxed office environment and flexible work hours.

### Submission

- Email resume and portfolio to [andrewfranke@planningdesignstudio.com](mailto:andrewfranke@planningdesignstudio.com)
